

Arragon's Cycle Hire Lowther

Our base at Lowther Castle offers a network of trails leading cyclists through some of the most stunning Lake District Scenery. Trails are mainly traffic free, with a few sections of main roads, most of them are quiet. Routes cater for all ages and you can hire for the morning, afternoon or take a full day at leisure. Circular routes take in the ancient woodlands, pastures and the River Lowther, longer trails go to Ullswater and Haweswater.

Lowther Castle is an ideal base for the whole family to explore the trails and wonderful facilities available.
